Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

I, Eliana Koren, of 9/5 Hatavas Street, Kadima, Israel, do hereby declare the following:

1. I am an HR and administration officer with the firm of Brainsgate Ltd. As part of my responsibilities, I coordinate obtaining signatures of inventors for declarations and assignments.

2. For the above-captioned patent application, I attempted to obtain the signature of the following individual of the three (3) individuals listed on the declaration:

Benny SHALITA

3. On 22.12.05, I sent a certified letter, return receipt requested, (Certified Label No. RR114689185IL) to Dr. Benny Shalita enclosing a copy of the declaration and assignment to Dr. Shalita's last known address. Subsequently, I received the return receipt (see enclosed). The return receipt indicates that the certified letter was delivered to Dr. Shalita address. I have not received any response from Dr. Shalita in response to my letter of 22/12/05.

4. The last known address for the non-signing inventor is as follows:

Benny Shalita
44, Ramat Hagolan st.
Jerusalem, Israel

5. Based on the above-described attempts to obtain the signature, I believe that the non-signing inventor, specifically Benny Shalita, is unreachable or has refused to sign the declaration for the above-captioned patent application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted,

Date: 6.2.06
